HOW YOU EARN

1. Present your **Safeway Club Card** or use your **registered credit card at Diablo Foods and Lunardi's** at the time of purchase and your contributions are tracked automatically. You can use your phone number when you check out as long as it is "linked" to the card number you have registered in eScrip. You can check this by calling **Safeway Customer Service at 877-SAFEWAY**.
2. Register your debit and credit cards and then any time you use them at a participating eScrip merchant you automatically earn for Miramonte.
3. You can pay for your purchases any way you like shopping at the **eScrip Online Mall**; your contributions are automatically tracked by your Supporter ID#.
4. Download **AutoEarn** from www.escrip.com to enjoy the freedom of shopping anywhere online without going through the eScrip portal first. Your purchases will earn contributions from eScrip merchants automatically (eScrip is not compatible with MAC OS and there are a few merchants who do not participate in AutoEarn).
